Dear Parents/Caregivers,

**P&C Meeting.** October’s meeting has been rescheduled to Thursday 30th October. We apologise for the late notice for this change of date. Please come along and become involved in the discussions and decision making for ways to continue to improve our school. We would love to see you there. 😊

**MONSTER BOOK SALE!** Thursday 30th October & 6th November in the Library before school, at lunch time and after school. All books are $2. Remember to bring your money and snap up some great bargains!

**Swimming lessons** start Friday 7th November. Banksia class will need to be at school by 8.30am as their bus will leave school by 8.45am. Remember to bring your swimmers, rash vest or T shirt, towel and sunscreen. Unfortunately, due to repair work being carried out on Karalee’s pool, we will not be able to have lessons on Friday 21st November. Therefore, there will be **4 lessons over 4 weeks with a total cost of $12 per child.** Refunds will be arranged for payments already received. Parent / Carer supervisors are very welcome to attend the lessons. Please keep an eye out for the swimming notes that are coming home with this newsletter.

**Enrolment for 2015.** All schools are currently planning their classes for next year. If you intend to enrol your child/ren (eg Prep) at Tivoli in 2015, please contact the office asap. If you **do not** intend to enrol your child/ren at Tivoli in 2015, please contact the office asap and advise your child/ren’s new school of your intention to enrol.

**Year 6 & 7 Graduation Dinner** will be held at the RSL Ipswich on Wednesday 10th December at 6pm. Students will be paid for by the P&C. Parents/Step-Parents/Guardians will cost $40 per person. **Please return your attendance & special dietary forms with $5 deposit per adult by Friday 31st October.** All money must be paid by Friday 28th November.

**Remembrance Day** is Tuesday 11th November. The Ipswich RSL Railway Sub Branch has again provided us with a selection of items to sell. Please help to raise money for a very worthy cause. Poppies, badges, etc will be for sale at the Office from Monday 3rd November. Items range in price from 50 cents to $10.

**Year 6/7 Camp** will be held at Edmund Park Adventure Education from Wednesday 19th November to Friday 21st November. The camp medical & permission form and asthma management plan (if needed) **MUST be returned to the Office by Friday 31st October** as these forms will need to be sent to Edmund Park. The cost per child is $240. **Full payment is required by Wednesday 12th November.**

**HOT WEATHER.** Here at Tivoli, we are very fortunate to have air-conditioning in every classroom. During the very hot weather, when the temperature reaches 36 degrees students will only be allowed out to play for 15 minutes at lunch times. Should the temperature reach 39 degrees, this outside play time will be reduced to 10 minutes. They will then return to their air-conditioned classrooms to participate in indoor activities for the remainder of their lunch breaks. Students are reminded of the importance of keeping hydrated. Please ensure that your child/ren has a water bottle at school.
LOTE for Year 6/7 at Ipswich State High School on Thursday 30th October and 6th November.

School Fitness Test. During term 2 the Australian Schools Fitness Test was implemented in PE to determine students overall fitness and recommend areas for improvement. Students were tested during class and their results were sent away to generate detailed reports. Unfortunately no student reports have been returned by the company. Over the last few months numerous attempts have been made to contact the company however none have been successful. We apologise for this outcome. If you have any queries please don’t hesitate to contact the Office or Miss Fletcher.

HEAD LICE ALERT!! Head lice are proving a problem again, particularly in the younger grades where children play and work more closely together. Please check your child’s hair twice a week and treat before they return to school if you find any live lice. It is vital that every child is checked and treated because it takes just one child to start the spread again. This is very frustrating to families who have treated and cleared their children of lice.
