Dear Parents/Caregivers,

Congratulations to Mrs Harris and all students who participated in the Silkstone Eisteddfod. The Tivoli Tigers ROARED home with an overall Highly Commended! 😊

Thank you to our wonderful groundsman, Mr “Sunshine” Walsh, and to all of our hardworking parents who helped with the installation of our two new playgrounds. The children are having an absolutely fantastic time playing on them. 😊

ACCIDENTS are an unfortunate part of life. All efforts are taken to ensure children’s safety. Minor accidents are treated at school. Where a more serious accident occurs or injury is suspected, parents are notified. It is therefore essential that we have up to date information to contact you in an emergency, ie. current home and work phone numbers, as well as those of a relative or neighbour. Please inform us in writing of any changes to these contacts during the year. If we cannot contact you and we think the child needs medical attention, an ambulance will be called.

Year 6/7 Camp will be held at Edmund Park Adventure Education from Wednesday 19th November to Friday 21st November. The cost per child is $240. Full payment is required by Wednesday 12th November. To help spread the cost over a period of time, you may wish to start making small payments now. Please ensure the money is placed in an envelope clearly marked with your child’s name, “Camp” and the amount being paid. These envelopes should be handed in at the Office. Permission forms should have been returned by 28th April. If you have not returned your form, please do so immediately. Spare forms are available at the Office.

Food Allergies. It is important that students DO NOT share their lunches with their friends. This is to safe guard against possible adverse reactions to the food consumed. Food allergy is an immune response, while food intolerance is a chemical reaction. Symptoms of food allergy include wheezing, stomach upsets and skin rashes. Symptoms of food intolerance are similar to food allergy, but can be associated with conditions including asthma, chronic fatigue syndrome and irritable bowel syndrome (IBS). Some food allergens include nuts, shellfish, milk, banana, egg and soy products. Anaphylaxis or anaphylactic shock is an extreme allergic reaction and can be life threatening. Please help to keep your children safe by reminding them that it is against school rules to share their lunch.

Remember Monday 9th June is Queens Birthday Holiday. Enjoy your long weekend. 😊
