Dear Parents/Caregivers,

Thank you for making me feel so welcome during my two weeks as Acting Principal. I have thoroughly enjoyed working with and getting to know Tivoli’s students during this time. I am now looking forward to continue working here in my capacity as Tivoli’s sixth teacher.

School Photos will be held on Wednesday 17th September. Students are to wear full school uniform. Order forms have been sent home with this newsletter. This year Advancedlife have introduced online ordering for your convenience. Should you wish to order online you will find detailed instructions on how to go about this on the back of your order flyer, or you can order using your payment envelope in the same way you always have. **Orders with correct payment must be handed into the Office by Tuesday 16th September.** Please note: envelopes are not required to be handed in if ordering online.

For sibling/family photos, please collect an envelope from the Office. To ensure a smoothly run photography day, online orders for sibling/family photos will be cut off 48hrs before our photography day.

Book Week. We will be holding our Book Week parade on Thursday 18th September. The theme this year is “Connect to Reading”, so we will be following the theme by connecting to reading through movies, since most of our classic movies came from books! Students may come to the parade dressed as a movie character or a book character.

Students can also enter our Book Week competitions to win prizes as we do not award prizes for costumes. They will be given a colouring competition next week which needs to be handed in by Monday 15th September. They can also build a construction of any movie or movie scene from any materials they like or draw a movie character. There are also prizes for writing a story (not necessarily about a movie) or making a small book. **All competition entries MUST be handed in by Monday 15th September.**

Please give me a call at the library on a Thursday if you have any questions.

Prep enrolment for 2015. A letter is being issued with information about our Getting Ready for School Program which will be starting in November. The Program is aimed at making the transition into Prep less daunting for the children as they will have a chance to make friends, meet their teachers and experience what being in Prep is all about. If you wish to enrol your child for Prep next year, please contact the Office as soon as possible with your details so that you may receive this letter.

HEAD LICE ALERT!! Head lice are proving a problem again, particularly in the younger grades where children play and work more closely together. Please check your child’s hair twice a week and treat before they return to school if you find any live lice. **It is vital that every child is checked and treated because it takes just one child to start the spread again.** This is very frustrating to families who have treated and cleared their children of lice.
Lost Property. If your child is missing an article of clothing, the lost property box in the Office is full to overflowing!

Student Details Forms were recently sent home to ensure parent/carer employment details & students medical & emergency contact details are correct. If you have not already returned your child’s form, with any relevant changes, please do so as soon as possible.

Breakfast Club is now being held every Tuesday, Wednesday and Thursday, 8am in the Tuckshop. Volunteers are needed to help serve the hungry masses. If you can help, please leave your name at the office.

Flu season. Queensland has reported the highest number of flu cases in the country so far this year, with more than 6,800 cases – 200 more than NSW. The flu season has not yet reached its peak in Victoria but is expected to spike in the coming weeks. Here is how you can help keep the flu contained as the season starts to change:

1. Be proactive – get vaccinated
2. If you’re running a fever – stay home from work or school
3. Take hand washing seriously – it takes at least 20 seconds to do it right
4. Cough or sneeze into a tissue, or use your elbow or sleeve if you don’t have a tissue handy. This will stop your infected saliva travelling around the room
5. Dispose of used tissues immediately and wash your hands

The flu is avoidable, so don’t leave it to luck – act on the facts and stay well.
