Under this agreement for 2014
Tivoli State School will receive

This funding will be used to

- Increase the percentage of students whose results on their semester report card in mathematics is High or Very High in Years 1 and 2 from 29% to 40%.
- Increase the percentage of students meeting NAPLAN national minimum standard in Year 3 reading to 100% and to write Individual Learning Plans for students not meeting the required benchmark.
- Increase the number of students in the NAPLAN upper two bands in Year 3 maths from 25% to 40%.

Our strategy will be to

- Develop a set of short, medium and long term goals and a "cycle of review" that provides opportunities for analysis of data and outcomes and review of accountabilities.
- By increasing the number of teacher aides in class during key literacy and numeracy times so that students are engaged and working explicitly on their individual learning goals.

Our school will improve student outcomes by

- By increasing the number of teacher aides in class during key literacy and numeracy times so that students are engaged and working explicitly on their individual learning goals. $18,375
- Employ teacher aide to implement reading doctor literacy $6,559
