Notes from Mrs Wells

Welcome to a wonderful week!

We are so excited about lots of events over this term. We have the Day for Daniel next week and our Colour Explosion on Friday 5 Nov. We would love some family volunteers to support us at our Colour Explosion. Please let your teacher know if you can assist. Our students are working hard on being respectful learners and we are super proud of them. Have a great week!

Fortnightly Award Winners

Emu:

Platypus: Dylan S, Cooper B, Layla O, Ella L,
Summer S, Owyne R, Paddy L.

Possum:

Echidna: Zaiden H, Gabriella T

Bilby: Whetu W, Hayden M, Kynan A, Dylan T

Wombat: Charlie, Mia, Emma, Donna,

Emu Classroom - This term the prep students are learning about living things. We are exploring caring for our pets and meeting all of their needs. We have a Vet Clinic set up in the classroom and the children are working through the living things concept in their play.

We have been fortunate to have some valuable resources shared with us from Miss Andrews from Green Cross Vets, we loved the skeletons.

Platypus Classroom

Last term we were lucky enough go on an excursion to Ipswich Little Theatre, Queens Park and the Queensland Museum to see the dinosaurs and visit Lego land. We enjoyed them all and learnt lots.

Possum Classroom

Echidna Classroom

This Term in English and HASS, Echidna class are researching child convicts and creating a Historical Recount about them. The students will take on the persona of a chosen child convict and present themselves to the class. We are very interested in discovering how children lived in the late 1700's and how it's different to how children live now.

Bilby Classroom

Thank you to everyone who arranged interview calls in Week 2. It was lovely chatting to you. - Mrs Bradey

This term in English we are creating a Claymation animation for a poem that we will write in class and then show the lower classes. We are very excited to start work on our poetry and animation.

Bilby Students.

Wombat Classroom

This term in HASS the Wombat class are learning about global trade and the effect on a country's economy. The wombats played a real-life game of global trade to try and create the wealthiest country.

Around the School

Our first whole school assembly in Week 1.

Congratulations to Javan, Tameka, Brooklyn, Isaac, Taishi, Amelia and Benjamin – the first guests at Mrs. Wells' Respectful Morning Tea for earning 5 Respect postcards!

Some creative constructions from the Possum room.

A keen-eyed observer spotted this new nest being built by one of our resident minor birds.

Congratulations to our Week 2 award recipients! You must be so proud of your efforts!

Our Senior Mixed division champions were presented with their ribbons and team pennant at assembly. GO TIGERS!

TERM 3, 2021 - Issue 8

P and C News

Thank you to those who attended our comedy fundraiser. Despite the low numbers we managed to raise \$425 thanks to a generous donation and from ticket sales.

To help us understand better why tickets to this fundraiser didn't sell, and how we can fundraise more successfully in the future, we would appreciate you completing our short anonymous survey by clicking the link here:

<https://www.surveymonkey.com/r/HXRW3MH>

We have a few more chances for fundraising before the year so watch this space.
